 So I had a late-night [#Transformers](#) thought after concluding the series, on nomenclature.

In English, the adjective -ly can mean "-like".

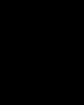

Spike married Carly. Car-ly. Car... like.

Hound must have had quite the effect on him.

THAT IS ALL

 Watchin the original [#Transformers](#) Robots in Disguise.

Why does she have the same head shape as the royalty from Katamari Damacy?

Transformers Robots in Disguise Episode 2 : An Explosive Situation
